Please, write the tags clearly and remember that species' names are in the lower case (*C. mossiae*) and hybrids' names are in the upper case (*C. Drumbeat 'Triumph' HCC/AOS*); previous awards are part of a plant's name and must be included on the registration tag. A named and registered orchid hybrid will be entered with its registered name; parents' names are optional but must be entered for un-named hybrids. Registration tags will be available during registration and may be replaced by artistic labels for esthetic purposes after the ribbon judging is over.
8. Each exhibitor will be assigned an exhibitor number after filling out the exhibitor information sheet. Registration personnel will also assist in giving out location letters for each exhibit.

15. Orchid Societies or several individuals may combine their entries in single exhibit.
16. Entries for exhibits other than living orchids will be accepted on a space available basis.
17. **Late Entries** will be accepted for display only; they will not be registered and will not be eligible for ribbon judging.
